SCHOOL FINANCE MEMORANDUM 02-060

TO: School District Superintendents, Principals, and Head Teachers

FROM: Maggie Singler

DATE: June 14, 2002

SUBJECT: June 17, 2002 Basic Calculations for Equalization Assistance Report (APOR 55 – 1) and Additional State Aid Detail Report (APOR 64)

The June 17, 2002 apportionment reports for your school district are posted on your district's home page on the ADE web site (<http://www.ade.az.gov/districts/>). If you need help finding or viewing these reports please contact your county's Regional Training Center (RTC) <http://www.ade.az.gov/rtc>. If you have any questions regarding the content of your reports please contact me (602) 542-8244 or e-mail msingler@ade.az.gov.

Growth was included in the June calculation for districts submitting revised budgets that successfully processed without errors that included growth on page 7, line 1. (b). Districts that previously received growth based on an Advance Request and did not submit a revised budget which included growth, have had all previously funded growth withheld from the June payment.

Adjustments for Route Miles based on the Comparative Miles Report (available on each district's home page on ADE web site <http://www.ade.az.gov/districts/>) were included in June's payment calculation. Please contact Shirley Willis (602) 542-8245, swillis@ade.az.gov if you have questions or concerns regarding your district's transportation reports. Adjustments to the BSL for audit expenditures, eligibility for Rapid Decline and Type 03 Tuition have also been updated for the June apportionment calculation to reflect the information from the most recently submitted and processed worksheet file and/or revised budget.

If you have questions regarding 40th or 100th day Average Daily Membership contact Mario Salinas (602) 542-8797 or e-mail msalina@ade.az.gov. If you have any questions regarding December 1st or February 1st Special Education Census data contact Christina Beltran at (602) 542-3303 or e-mail cbeltra@ade.az.gov. The counts/data displayed on the APOR55-1, page 1, reflect the counts/data at the time of the calculation. If data has been submitted after the calculation date, the student counts on the APOR55-1 and the ADMS 46-1 may not match.

cc: County School Superintendents
